

A Win-Win-Win for WindowDressers Insulated Inserts

By Peter Garrett

Sustain Mid-Maine Coalition

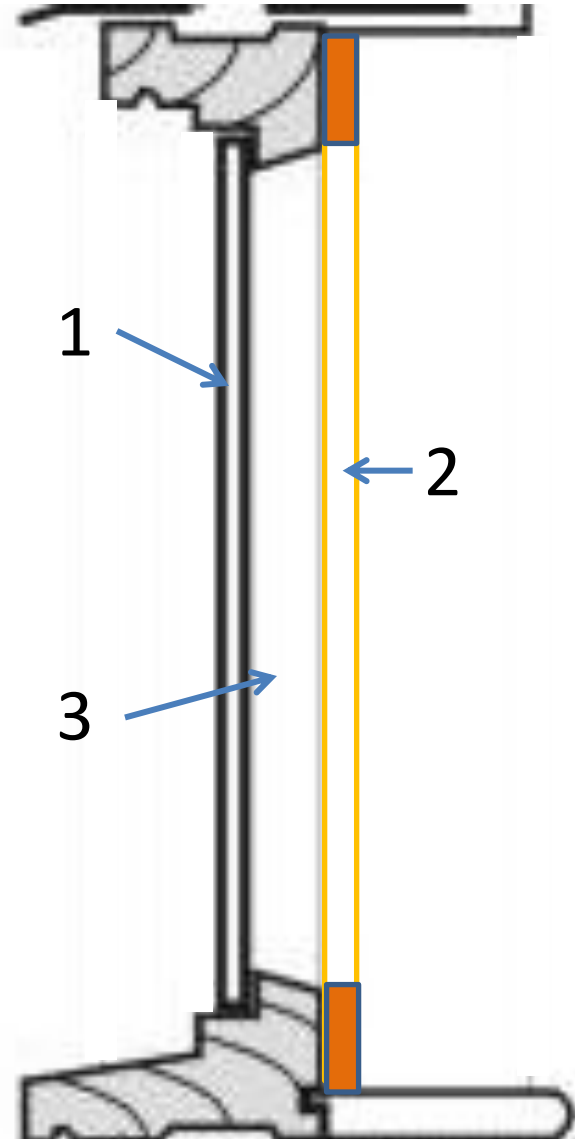

10 Wins for WindowDressers

Win #1:

Tripple-sealed air space

Win #2: Community Builds

Win #3:

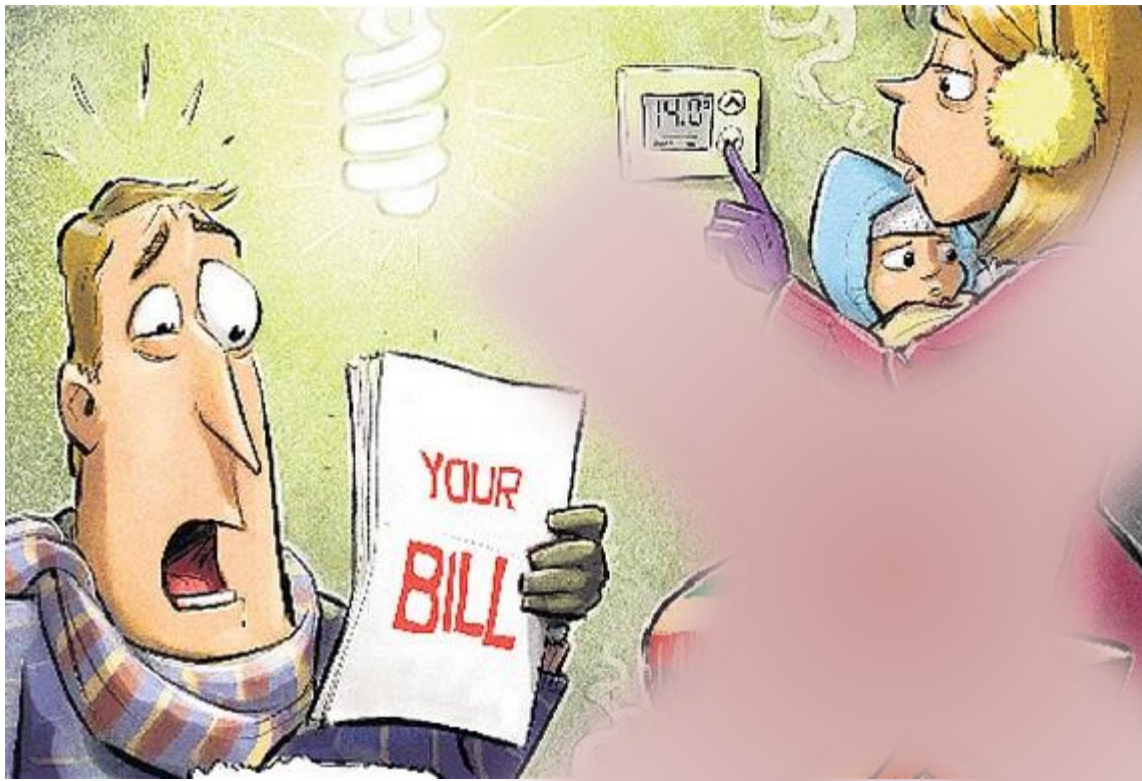

It's Quick!

With a team of
9, you can
make 90 in a
day.

Win #4: Low Cost

WindowDressers \$2.10 per Sq. Ft.
\$350 per average house

Commercial \$90-150 per window
>\$1500 per average house

Win #5: Lower Fuel Bills

Expect a 15-25% reduction in your first winter

Win #6:

**Less CO₂
emissions**

=

**Better for
Mother
Earth**

Win #7: Cozy

“It is simply amazing! Last winter, this kind of weather would have kept me covered in piles of blankets in a chair with no courage to venture out! I didn’t think it would make much of a difference as I already used the plastic. But it is drastically different. I am very grateful!”

Win #8:

Help for others

A 22%
“profit” is
built in so
that extra
inserts can
be made
for those
on low
incomes.

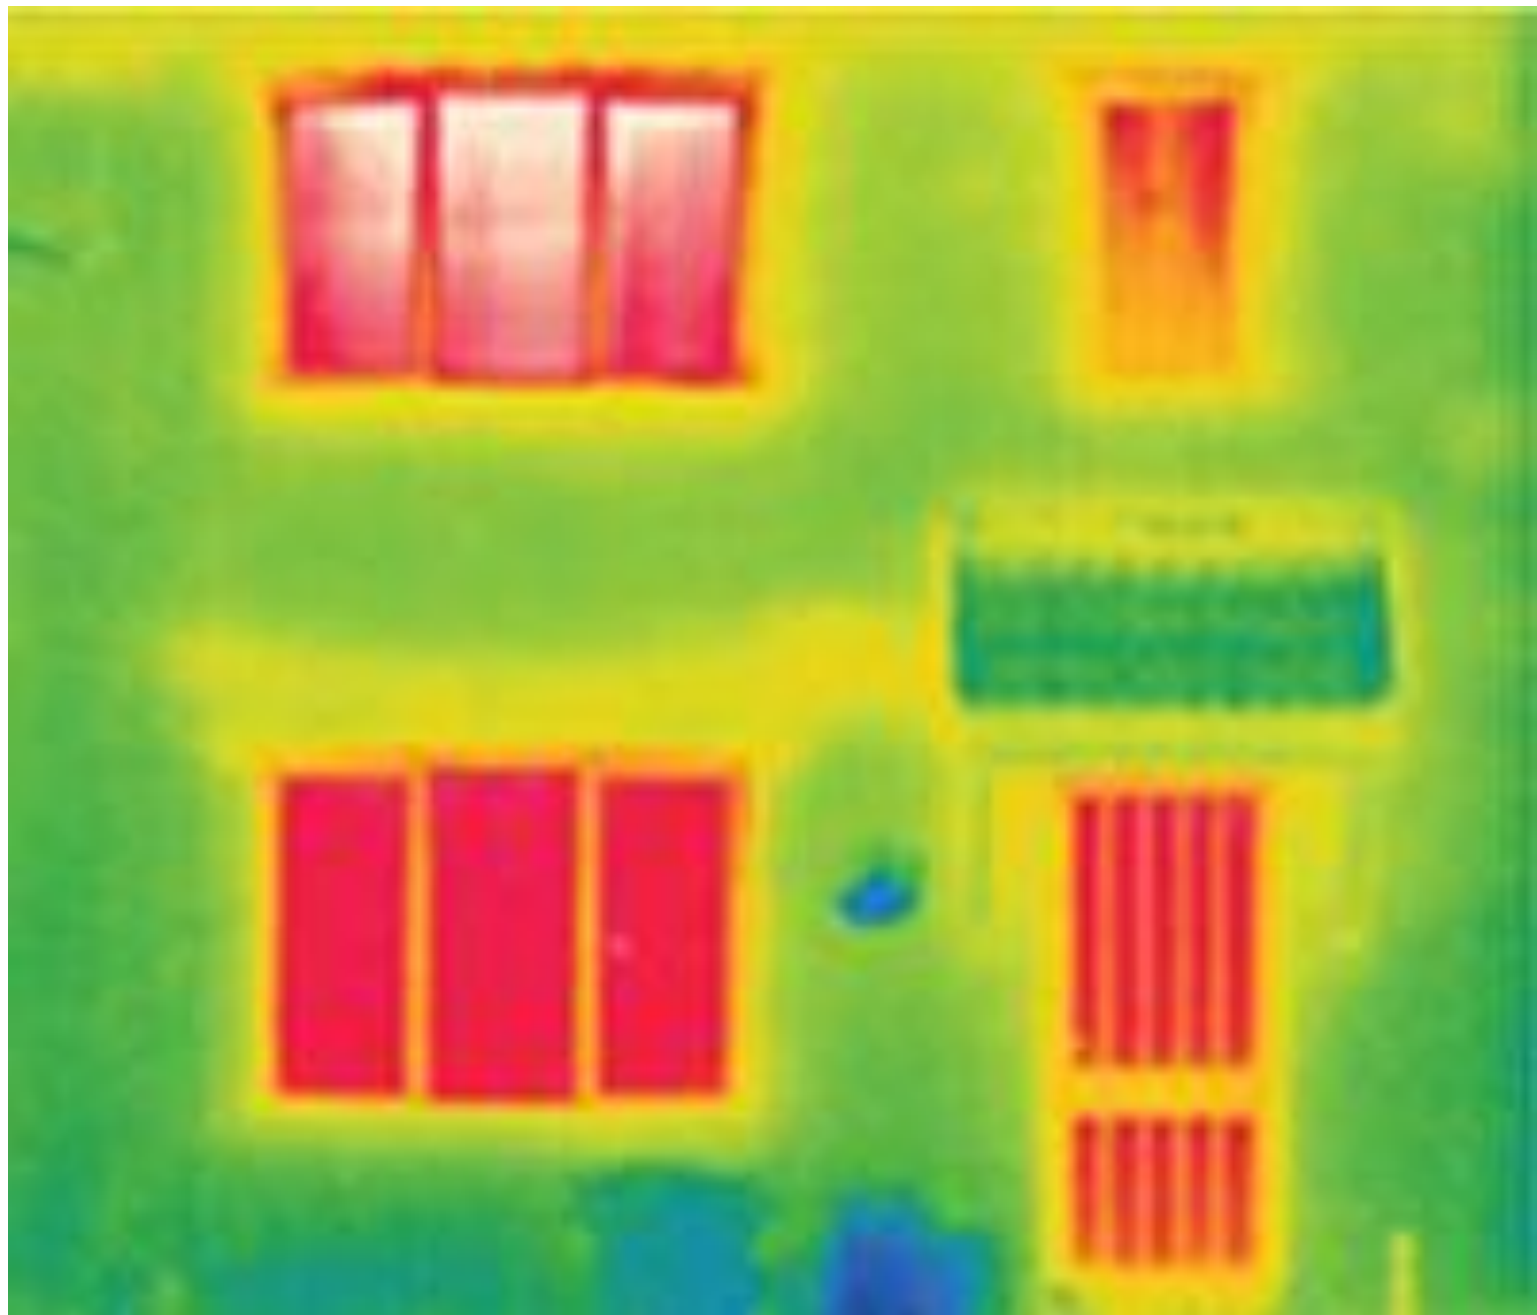

Win #9: Enjoy the View all day long

Win #10:

When you're
done with
winter, they're
stackable, each
with its own
unique label

Before

After
